Aurora Oil and Gas In the Press

Sky News Trading Day

1st February 2013

Why Invest in Aurora?

We are well positioned in one of the premier North American shale plays - The Eagle Ford

- Quality Asset / Significant Size
- Strong Economics
- De-risked asset with over 200 wells on production
- Significant Valuation Upside Via downspacing in Eagle Ford, Austin Chalk development and from the Pearsall shale
- Active Drilling Program with many years of drilling inventory of equivalent quality wells
- Sound Balance Sheet
